* Year 4: Alfie H * Year 5: Max * Year 6 : Matthew *

A HINTON HELLO

Who ever says that the last few weeks of term are a chance to slow down has never worked in a school! Us alongside most schools I know are cramming residential, productions, transition events, sports days, educational visits all into the final days and weeks, which is utterly exhausting. The children are still being their brilliant selves though and that makes the tiredness all worth it!

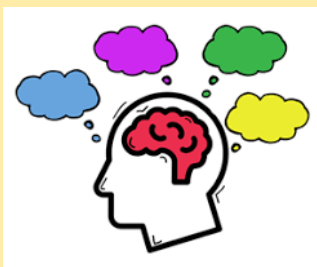

A fabulous time was had by all on Friday at our Sports morning. Miss Barker planned a wonderful selection of sporting activities, capped off with some traditional races. Many thanks to Miss Barker and all those that helped for such a wonderful event.

As the children are getting ready for the transitions into their classes for next year we would like to ask that all parents drop off at the gate. This will help to ease the transition in September. If you have any worries please let us know , as we will happily bring them in for you if needed.

Please remember to not to use Westfield Road as a reversing point at drop off and pick up - residents and children walk along this road and we have had some near misses.

This week Year 5 & 6 will be going on their Residential trip on Wednesday morning leaving at 10 am and then returning on Friday by the end of school. Please send children with their over night bags and they can bring a small bag as well with their lunch and water bottle for the journey.

Drop in sessions

We are holding Drop in sessions with Mrs Hinton and Mrs Pope if any children have any worries regarding transition for September they can pop by to speak with them - there is one session tomorrow 5th July at 2:45 pm and then again on the 14th July at 2 pm

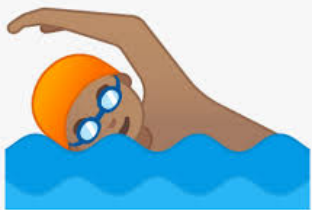

OLIVER

The children are very excitedly rehearsing for their production of OLIVER !

There will be a dress rehearsal during the school day on Tuesday 11th July to KS1 children and any family members that cannot attend the evening performance.

We then have two evening performances on the 11th and 12th July at 6:30 pm in the main hall. We are able to offer 3 tickets per family for one of the performances - please contact the school to advise what performance you would like to attend.

office@fowlmere.cambs.sch.uk

Swimming Days: Monday : Kingfishers Tuesday: Owls
Thursday : Goldfinches Friday : Starlings

PE Days: Starlings : Tuesday & Friday
Goldfinches : Monday & Thursday
Kingfishers : Monday & Friday

VELVETEEN & RODNEY THE RABBITS

Velveteen had another lovely weekend with Rodney, but was very excited to return to the school and see all the new exciting toys and areas for her to explore.

We are also now pleased to announce that Deans Farm are now sponsoring the school rabbit and providing us with fresh bedding and feed which she is very happy about.

The children are really enjoying having a place they go to sit and talk with the rabbit and just be calm with lots of rabbit cuddles included :-)

July

Monday 3rd July - Forest School - Goldfinches

Tuesday 4th July - Year Group Transition afternoon (2)
